St. Casimir Church

Faith Formation
Religious Education Program
PRE-K – Grade 8

Dear Parents/Guardians:

Here are the forms for Religious Education classes for this program year. We only require **one** registration form per family but we need **a medical/permission form for <u>each</u> one of the children in your family.** All information will be kept confidential but it is imperative we have medical info at our finger tips in case of a medical emergency. The Religion Teacher will keep these forms in a safe place in their student's classroom for immediate access.

Please return completed registration and medical forms (along with your registration fee) to the Parish or Faith Formation Office. The registration fee remains the same $25, for one child, $50 for two children, all others in the family are free. Make checks payable to St. Casimir Religious Education.

All classes meet on Sunday between the Masses from 10:10 to 11:20 AM in the parish classrooms. Attached to this letter is the 2019-20 Faith Formation calendar. Please do NOT throw it away as you will need to refer to it throughout the program year.

***Special note….*First Reconciliation and *First Communion are celebrated in the 2nd grade, but it is a two year program. Therefore, students need to be enrolled in the 1st grade Religious Education class to begin their preparation, in order to receive the sacraments in 2nd grade. *Confirmation Preparation is also a two-year program, so students need to enroll in the 8th grade Religious Education Class in order to be ready to be confirmed in the 9th grade.**

Thank you for assisting your child on their continuing faith journey. If you have any questions or concerns, please contact me at your earliest convenience.

God's Peace….

Teresa Hurd
