

## Divine Mercy Chaplet for the Dying

Our Lord said to Saint Faustina: "When they say this Chaplet (Chaplet of Divine Mercy) in the presence of the dying, I will stand between My Father and the dying person, not as a just Judge but as the Merciful Savior." Our Lord later allowed that the Chaplet could be prayed from any location.

A group of individuals is providing an opportunity for those wishing to pray the **Chaplet of Divine Mercy or the Rosary** for persons/souls who are near death, dying, or after death has occurred.

If you wish to join us, the procedure is very simple. Enter your information in the space below and return the signed copy authorizing our organization to send a brief text message, at the appropriate time, to you at the text number as entered below.

The message will not disclose a name or any other sensitive information about the person/soul, only stating that, **if you are able and willing** your immediate prayer (**the Chaplet of Divine Mercy or the Rosary**) is requested. No confirming text reply from you will be required. Be informed that this request could come at any time of the day or night and during any day of the week.

This is a wonderful opportunity to enter into the work of saving souls for our Lord. Our Lord has stated, "The souls that say this Chaplet will be embraced by My mercy during their lifetime and especially at the hour of their death."
